Verification of Assessor Qualifications

The FAVRES is a carefully developed assessment instrument that requires specialized training to ensure appropriate use. Eligibility to purchase this test, therefore, is restricted to individuals with specific training and expertise in clinical assessment of communication/cognition. To purchase the FAVRES you must have an advanced degree from an accredited university that provides supervised experience in the administration and interpretation of related standardized tests. To receive a copy of the test, please include copies of credentials (e.g., License or certificate, university transcripts, membership card).

Area of Specialty (based on training or supervised experience)

- Speech-Language Pathologist
- Neuropsychologist
- Other
